HOWARD BONNIER

Bray is a beautiful village about fifty kilometres west of London. A young Englishman named Howard Bonnier opened a restaurant called *The Palace* there about three and a half months ago. Not many people in Britain know Mr Bonnier's name yet, but he's already quite famous in France. This is because he has written in French magazines about almost all the best restaurants in that country. He's only 29 years old.

When Howard was a teenager, he often went to restaurants with his mother and father. He liked doing this so much that he decided not to buy lots of clothes and CDs; instead, he used his money to visit France and eat in good restaurants. He also bought a lot of French and English cookbooks – he says he has more than two hundred and fifty!

So why did he decide to open a restaurant? Simply because he loves cooking. Has it been an easy thing to do? He says it's expensive to start your own restaurant and it's much more difficult to cook for fifty people than to cook for your family, but he's sure he's done the right thing.

Bill Prince-Smith

Bill Prince-Smith was a farmer and a teacher and a dentist before he became a writer of children's books at the age of 60. Now, thirteen years later, he has written more than 80 books. Every day, he goes into his office and writes. In the evening, he gives the work to his wife to read. 'She tells me when she doesn't like something,' says Bill. 'My ten grandchildren don't live near here but they also read my stories and say if they are good or bad.' And so Bill has learned what young children want to read.

Bill writes about the life in his village and on the farms near it. His fifth book is his favourite: *The Sheepdog* is about a farmer and the dog that helps him. 'I have always liked animals,' says Bill, 'and dogs are so clever, they learn very quickly.'

Last year, the book was made into a film with real animals and actors. The film-makers used the latest computer technology to make people think that the animals are speaking. Bill was very pleased with the film. 'Sometimes film-makers change books, but they didn't change mine and I love the film.'

Sleeping well is very important. When I can get home to my mother's house, I sleep for ten hours. But I find it very difficult to sleep at night after a concert because my head is full of music.

Keith:

Sport is important. Before I had a car accident I was at the sports centre two and a half hours a day, five days a week. I can't do that now so I do about 150 sit-ups a day.

Ronan:

I don't drink alcohol or smoke. I try to eat well. Also I drink a lot of water because it's good for your health. I should have about eight glasses a day but I don't always drink so much.

Shane:

People shouldn't work all the time. I love my job but there are other things I like doing too. In my free time I just listen to music or watch TV. It's good for you to do nothing sometimes.

Mikey:

I don't get tired any more since the doctor told me to eat better. Now I eat lots of things like carrots and spinach every day. But I still eat burgers sometimes!
